**Re: Statement of support from *The Good Lobby Profs***

Dear Judge Niklas-Bibik,

We are writing to you on behalf of *The Good Lobby Profs*, a team of 60+ academic experts specialising inter alia in rule of law matters, to express our support in the face of the sustained and grossly unlawful state-sponsored harassment and sanction you have faced for seeking to refer questions to the European Court of Justice as well as implement the judgments of the European Court of Justice and the European Court of Human Rights.

We commend your professionalism, and commitment to the rule of law in the face of such adversity and sustained attacks.

We stand in solidarity with you and all of the brave and independent judges of Poland who remain faithful to their judicial oaths, the Polish Constitution and their legal duties under the EU Treaties and the European Convention on Human Rights.

Yours sincerely,

Prof. Laurent Pech

Prof. Alberto Alemanno

Dr. Joelle Grogan

Prof. John Morijn
